BRUSSELS MOBILITY

BRUSSELS REGIONAL PUBLIC SERVICE

Cyclists and public transport lights

Follow these guidelines if you are allowed to cycle in a public transport lane:

No crossing the stop line or light = **red light**

No crossing the stop line or light unless you are no longer able to stop = **amber light**

Authorisation to pass the light = **green light**

Authorisation to pass the light only in the direction indicated = **green light**

If the light also has one of these two B22 or B23 signs, you are authorised to cross it while giving way to vehicles and pedestrians.
