# Ride your bike in the right way

The tram always has priority.  
Make sure to cross tram rails crosswise.

Equip your bike and keep it in good repair.  
Make sure you're always visible.  
Correctly park and lock your bike.

Always respect traffic regulations and signs.  
Anticipate other road user's intentions.  
Always watch out for pedestrians.  
Clearly mark your intentions.

Watch out for blind spots.  
Always keep a 1-meter distance from car doors.

Watch out at crossings in limited one-way streets.
